### **Road Closure on Thursday as Result of Shattered Dreams**

**FRISCO, TX** – The Frisco Police Department, in conjunction with the Frisco Fire Department and Frisco Independent School District, will be hosting its eighth annual Shattered Dreams program, to be held at Frisco Centennial High School this upcoming Thursday and Friday.

As a result of a crash reenactment that will include police and fire personnel, CareFlight, and other emergency responders, Rolater Road will be closed in all directions from Coit Road to Whittingham Drive from 9:30 a.m. to Noon. Motorists are urged to find an alternate route during these times, including Main Street to the north and College Parkway to the south.

Shattered Dreams is a two-day program designed to educate students about the dangers of underage drinking and the severe consequences that can result from intoxicated driving. The program is coordinated by the department's School Resource Officers and is held at a different high school in Frisco each year.

For more information about Shattered Dreams, please visit the Frisco Police Department's web site at [www.FriscoTexas.gov/Police](http://www.FriscoTexas.gov/Police) and click on the "School Resources" link.
